Our Features

Full Insurance

Your deposits are fully insured against any sharp jumps on the exchange, collapses, force majeure. We are also one of the first to find out about all the changes in the world of cryptocurrencies.

Keep Abreast

Integration with European, American and South Asian exchanges allows us to keep abreast of all events and respond in a timely manner and take the right decision in case of sharp jumps on the exchange.

Active Influence

We use our influence through engagement and voting to promote sustainable business practices, gain insight and reduce investment risk. And we're not afraid to call out bad performance.

Continuous Innovation

By bringing together our knowledge, skill and creativity across major asset classes, disciplines and regions globally we can unearth great investment opportunities for you.

Our Services

MANAGE YOUR PORTFOLIO

Buy and sell popular digital cryptocurrencies and keep track of them in one place

CRYPTO TRADING AND EXCHANGE

We involve in the financial market for trading of forex and exchanges of all digital and binary assets. We initiated the crypto currency assets because of the skyrocketing rise in the cryptocurrency value and its effect in the financial market. Cryptocurrency market was valued at \$500 billion USD at the end of 2017. It's value rose over 360% from the beginning of 2017. Crypto currencies are known for their rapid price movements, providing potentially high returns on investment.

STOCKS AND SECURITIES EXCHANGE

We also directs funds into investments in stocks and high securities... Exchanges of valuable financial assets that can be traded both equity securities (stocks) and debt securities (bonds and banknotes) as well as ETFs and Brokerage CDs.

COMMODITIES EXCHANGE

We direct investors funds into the extraction of some expensive/valuable raw material commodities like jade stone, Californium, Painite, Crude and so on. These are some very rare and precious gemstones and raw substances in the world.

PROTECTED BY INSURANCE

Cryptocurrency stored on our servers is covered by our insurance policy.

Our Services

REAL ESTATE MANAGEMENT

The Candle Stick Traces offers investment opportunities in most major cities for multi-family, office, retail and hospitality properties. The platform gives investors the opportunity to invest as little as \$50,000 in a project. The company partners with experienced developers that have a track record of success, invests in properties in locations with high growth potential, offers investments in major markets with solid fundamentals to avoid potential bubbles and invests in projects that improves neighborhoods, eventually boosting the properties in overall value and terms.

SECURE STORAGE

We store virtually all of the digital assets in secure offline storage.
